

Comfort Tilt™ Press Back

Tilt and Recline – Power or Manual

Spring Placement Options

9 Options: 3A, 1A, 2B, 3B, 2A, 1B, 2C, 1C, 3C
(Strongest to Weakest)

Designed for back-only recline for use with stationary style chairs.

- Manual or motorized version available
- Multiple styling capabilities
- Optional universal KD back system for removable backs
- Counterbalanced design for smoother operation from TV position to full recline
- All metal parts of mechanism are finished with baked-on black enamel
- Adjustable tension with friction lock
- Effortless operation...just push on the arms and the back reclines – no handles or release system required
- Heavy-duty eight-gauge steel mounting bracket linkage
- Plastic bushings on pivot points provide enhanced durability and smooth operation

Power Press-Back

- Adds convenience of effortless control
- Infinite positions

Long Life™ mechanism has been field-tested and proven by L&P testing facility
