Hide-Away™ Storage System

With Optional EnduraEase™ Air Sleep System

Hide-Away™ Storage System

- Specially designed Sinu Web™ system provides seating comfort and support when used as a stationary seating system
- Hinged seating system allows access for storage of all types – cushions, CDs, DVDs, magazines, blankets, in addition to the optional EnduraEase Air Sleep System

EnduraEase™ Air Sleep System

- The EnduraEase Air Sleep System is designed for a standard queen (60" x 80") mattress and is sold as an optional upgrade. The total weight of this sleep system is significantly reduced from typical sleep systems
- The EnduraEase Air Sleep System inflates in approximately 3 minutes. This new bed concept can change the use of optional sleep space in today's homes
- This latest technology in air mattress sleep surface provides an excellent sleep surface with premium comfort
- A motorized pump is included for inflation of the EnduraEase mattress
- The EnduraEase mattress contains two valves for quick deflation
- This exciting new concept provides storage space within the sofa and a superior sleep surface for guests
