

Morley[®] Hinged Seating System

Elite Series

Engineered Seating System For Your Top-Of-The-Line

- Unique hinge link design allows luxurious seating comfort
- Patented design controls the depth, angle and position of the spring action
- Great for motion seating or stationary applications

Arc Truss System

- Firm support at sofa/loveseat arm ends of the seat deck
- Helps prevent "lean-out" at seating arm
- Allows consistent seating support across the seat deck

Sof-Side Rail

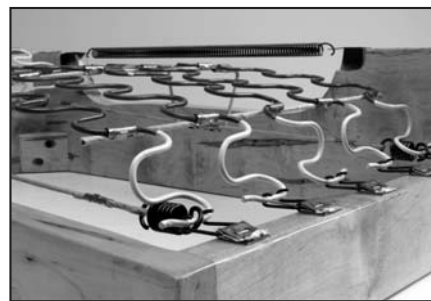

- Resilient edge support for armless ends of modular and sectional frames
- Prevents feeling the hard side rail and prevents "lean in"

Torsion Spring Action

- Unique torsion action using special engineered bends in the sinuous springs at front and back.
- Lever action in combination with swing-anchors gives luxurious comfort seating qualities.
- Dual-leverage amplification and torsion augmentation adds to the outstanding performance of this system.
