

Supercliner - Full Recline

Motion Recline Function With Wall Hugger™

The premier incliner mechanism in wood-to-the-floor motion furniture.

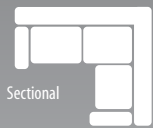

Styling & Design

- Offers full recline comfort and styling in chairs, sofas and loveseats
- Outstanding application for theater style seating
- Available with cable, inside handle or power activation
- Fits frame within a frame or pivot over the arm frame construction
- Available in a broad range of seat widths
- Diverse styling capabilities for loose, tight and "T" cushion applications

Performance & Engineering

- Counter balanced design for infinite recline position between TV and recline
- Firm main ottoman support with mid-ottoman that meet US CPSC standards
- Fingertip controls for effortless operation
- Delrin bushing in key pivot points for durability and smooth operation
