

VertiCoil

An innovative seating design that is cost effective with outstanding performance

- Optimum support for specified seating depths
- One standard size module fits all seat requirements
- Simple and fast installation
- Hard edge application (optimum)
- Soft edge option exists
- Seat lift optimized by new H-point technology
- Deep luxurious seating comfort
- Emulates the feel and performance of double cone coil systems

VertiCoil® offers luxurious seating comfort with the ride and feel of double cone coil spring systems. The application of the product within your frame is simple and precise for maximum performance. This new innovative seating system has passed our most rigorous test procedures, proving its durability and longevity as a premium seating system.
